Medical Laboratories\****

# Profile of PMAM

2020 @ Copyright PMAM Malaysia

# Today's Outline

## Objectives of PMAM

- To join together all laboratories accredited in Malaysia in one National Society.
- To be the formal representative of all laboratories in Malaysia.
- To be the main representative in discussion with Department of Standard Malaysia.
- To provide a common platform for discussion and cooperation between member laboratories in Malaysia
- To provide training and education to staff of member laboratories.
- To increase the awareness in good laboratory practices and professionalism

**PMAM WAS FORMED THROUGH THE  
INITIATIVE OF STANDARDS MALAYSIA  
TO BRING TOGETHER ALL ACCREDITED  
LABORATORIES UNDER SAMM AS  
WELL AS OTHER LABORATORIES  
OPERATING IN MALAYSIA..**

**DR MD SANI IBRAHIM  
(CHAIRMAN OF PMAM)**
